

# Wrap-Up Week at Bridges

July 23 - 27, 2012

Wrap-Up Week marked the final week of the Summer Institute. It offered students a chance to reflect on their five weeks with the Bridges Program. In addition to closing field trips to the beach, Six Flags, and Hershey Park, students attended a special appreciation assembly, participated in a program wide talent show, and participated in Wrap-Up Week Jeopardy for House Cup points.

After sweeping the talent show, the Red Team emerged as House Cup victors this summer, preventing the Blue Team from completing the first ever House Cup "three-peat" in the final days of the program.

On Friday, the Closing Ceremony took place, as 16 members of the rising freshman class graduated from the Bridges Summer Institute. Though they will be missed around campus, all graduates will enter the Bridges Summer Jobs Program in 2013.

Ninth grader Donovan wins the Director's Award for most outstanding student.

Mrs. Bailey leads her fourth grade Language Arts class in a writing exercise about the outdoors.

Fifth graders Dabria and Joseph participate in a relay during Field Day.

Eighth grader Madison performs her talent show-winning number, "A Horse With No Name."

The most recent graduates of the Bridges Summer Institute.
