

# Bridges Dishes Out a New Experience with Pierpoint Restaurant

June - August, 2012

In the summer before high school, Tyrin expressed an interest in a career in the culinary arts. Now in the summer before his senior year at City, Tyrin is learning about this field through his summer job at Pierpoint Restaurant.

Pierpoint Restaurant is a first year partner of the Bridges Summer Job Program and Chef Nancy Longo is providing Tyrin with an unforgettable experience in the kitchen. In addition to shadowing Chef Nancy, Tyrin is also assisting her with summer cooking camps and catering preparations. This immersion into the restaurant business is showing him the hard work and dedication required to succeed in this field.
