

Bridges Contributes to the Baltimore Ravens' Twelfth Man

September - December 2013

This football season, Bridges was gifted six tickets to every Baltimore Ravens home game by Ravens receiver Jacoby Jones. As a result, five Bridges students and one chaperone were given the opportunity to enjoy each game. The seats were distributed to the Bridges Summer Institute's five Student of the Week recipients from each grade and to the Bridges high school students with the top ten GPAs.

It should be pointed out that despite the Ravens mixed record this season, their home record remains strong. It is safe to assume that Bridges has had a definite and measurable effect on the team with their attendance.

Thank you to both the Baltimore Ravens organization and to Jacoby Jones for making this opportunity possible.

Go Ravens!
