

First Ever Bridges Kickball Classic

October 24, 2009

In the fall of 2009, Bridges held the first ever Bridges Kickball Classic on the campus of St. Paul's School. The day-long event brought together St. Paul's parents, students, and staff with Bridges friends and supporters for a day of kickball. The competition included 20 teams of ten, with a graduate of Bridges placed on each team as the eleventh player. The event raised \$5,000 for Bridges and cultivated friendships across the community through the simple sport of kickball. Will The Goonies be able to defend their title next year? Only time will tell...

Each team was matched with a graduate from the Bridges Program. Here, Antoine, class of '09, pitches for his team

The Goonies emerged victorious in the first ever Bridges Kickball Classic
