

Bridges Holiday Dinner 2009

November 19, 2009

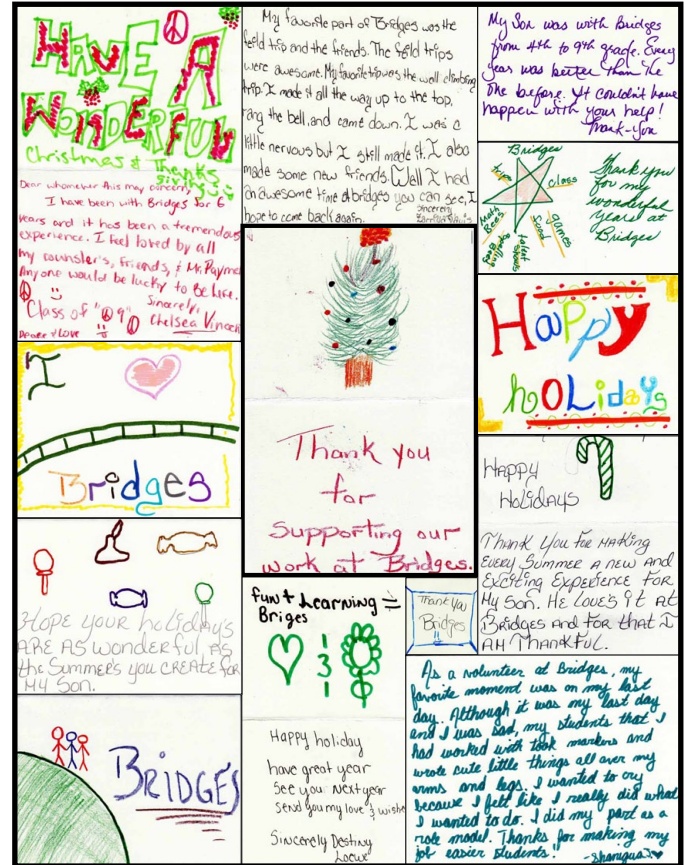

Every holiday season, Bridges hosts a holiday gathering for program parents, students, teachers, and volunteers. At this year's event, over 200 Bridges community members packed the Ward Center at St. Paul's School for a night that included live music from the St. Paul's Jazz Band, a group service event, an Italian dinner, and performances by Bridges students Lakeisha and Mecca.

Volunteers run a carnival full of games for the students. Here, volunteers and students try their hand at the Tower Challenge.

Bridges Director Rob Paymer presents the night's performers, Mecca and Lakeisha.

A compilation of holiday cards created by Bridges community members during the night's service event.

Fourth grade Bridges students Imonie and Alaiya joke around during the Holiday Dinner.
