

# 7th Annual Bridges Holiday Dinner

November 21, 2011

On November 21, Bridges welcomed 230+ community members to the St. Paul's School Ward Center for the 7th Annual Bridges Holiday Dinner. Similar to years past, the evening included a carnival for students, dinner accompanied by live music from the St. Paul's Jazz Band, and a small talent show in the Ward Center Theatre. Talent show performers included high school students from Bridges and from the St. Paul's Schools, making for a very special close to the night.
