

Bridges Honors Eleven Volunteers as Bridges 3+ Members

May 9th, 2014

On Friday, May 9th, Bridges welcomed eleven new volunteers into its volunteer honors society, Bridges 3+. Each inductee participated in at least three different volunteer opportunities with Bridges. This included being after school tutors to Bridges fourth and fifth grade students and being assistant counselors in the Bridges Summer Institute. These students from St. Paul's School and St. Paul's School for Girls combined for nearly 1500 combined hours of service to Bridges. For their service, Bridges recognized each with a citation of service provided by the City of Baltimore, a personalized sweatshirt, and a letter read to them by a student with whom they worked over the years.

Bridges congratulates and thanks the following students for all their hard work
