

Wrap up Week at Bridges July 19 - July 23, 2010

Wrap up Week provided Bridges students with opportunities to appreciate and reflect on five weeks of experiences inside and outside of the classroom. Additionally, each grade went on its final field trip of the summer, fun experiences at the beach (grades 4 & 5), Six Flags (grades 6 & 7) and Hershey Park (grades 8 & 9).

Wednesday's Talent Show ended with a tie between fifth grader Dony'e and seventh grader Naja. At the show's conclusion, Week 5 Student of the Week winners were announced, as were the final scores for the House Cup. This year, the Blue Team pulled out a slim victory, their first title since 2006.

The ninth graders will be missed around campus, but we look forward to having them enter the Bridges Summer Jobs Program in 2011.

The ninth grade class poses one last time with their Bridges diplomas.

Fourth and fifth graders enjoy a beautiful day at the beach in Delaware. For many, it was their first time at the ocean.

Ninth grader Kristina Bayton receives the Director's Award for overall excellence during her six years at Bridges.

The sixth grade performs a funky rendition of The King's New Clothes during Friday's closing ceremony.

Bridges Director Rob Paymer takes a few moments to honor the hard work of Robbie Flick during his one year as the Bridges Public Service Fellow.
