

# Charm City Run and Bridges!

August 7, 2010

On Saturday, August 7th, Charm City Run, Timonium donated 10% of its sales for the day to the Bridges Program at St. Paul's School. It was a busy day in the store, resulting in a generous \$930 contribution to the program.

Inside of the store, lucky shoppers were able to view student paintings from the 2010 Bridges Summer Program and to meet Bridges graduate, Lakeisha Johnson, now in her freshman year at Bennett College in North Carolina.

This event closed a great summer for Bridges that included a day where Josh Levinson and Katie Heyl from Charm City Run visited the program and measured 120 sets of student feet so the kids would be properly fitted for their new athletic shoes, courtesy of the Baltimore Ravens.

Fourth grader Mohammad practices karate in his new kicks.

Students get fitted for shoes by Josh and Katie from Charm City Run.

Fourth grade students strike a creative pose after opening their shoes.
