

Weekend Mentoring Year Two Gets Underway!

October 9, 2010

Now in its second year, the Bridges Weekend Mentoring Project kicked-off the 2010-2011 school year with a fall-themed trip to ROHA Farms in Hydes, Maryland. After six months apart, Bridges students and mentors from RBC Wealth Management reconnected through a day that included ice breakers, pizza, a tractor ride, pumpkin picking, and a walk through a giant corn maze. Ten students and three mentors engaged in this field trip to the countryside.

Mentors and students pose for a group photo behind the ROHA Farms "cool bus".

Students and mentors circle up to begin the day with an ice breaker.

Andrew, from RBC, shares fun farm facts with students.

Evan and Bryan in search of the perfect pumpkin to decorate.

Students paint their freshly picked pumpkins.
