

Bridges Holiday Dinner 2010

November 22, 2010

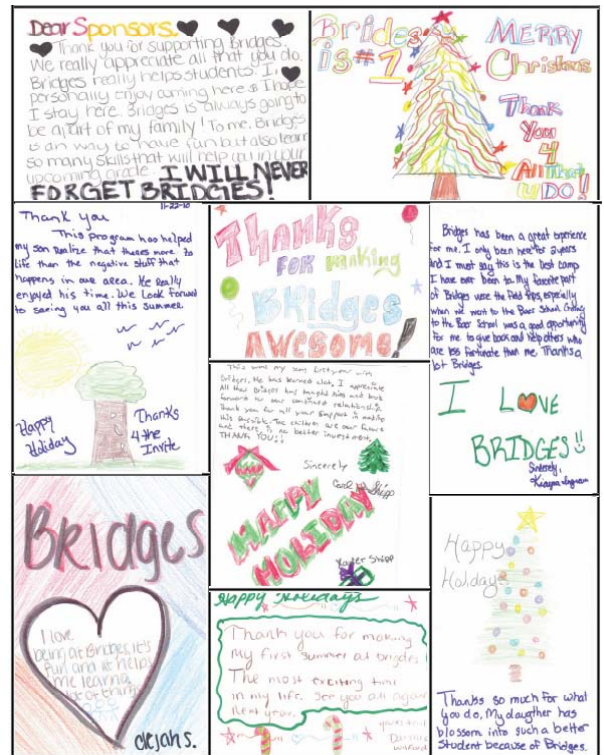

One hundred eighty five Bridges parents, students, teachers, and volunteers kicked off the holiday season with the Sixth Annual Bridges Holiday Dinner on Monday, November 22. The evening started with a wonderful performance by the St. Paul's School Jazz Band and was followed by dinner, an appreciation event, a carnival hosted by students from the St. Paul's Schools, and a series of performances in the Ward Center Theatre.

Volunteers in the Bridges Winter Tutoring Program enjoy dinner with the families of their fourth and fifth grade students.

Prior to dinner, students engage in a small carnival facilitated by high school volunteers from Bridges' winter and summer programs. The Tower Building Challenge, pictured, is a student favorite.

A compilation of holiday thank you cards that Bridges students made in appreciation of the support of Bridges partners and funders.

Bridges eighth grader, Cameron, plays the trumpet to Miles Davis' "All Blues" on the stage of the Ward Center Theatre.
