

Weekend Mentoring Glazes & Blazes

January 29, 2011

At the end of January, 16 Bridges sixth graders joined their adult mentors for a morning to design mugs at Amazing Glaze, a pottery design store in Mt. Washington. After a quick orientation of the day's activities, students and mentors brainstormed mug designs and went to work on their creations. Final designs varied from flowers, to sports teams, and even some tributes to family and friends. Following clean up, the fun continued at Pepe's Pizza where the group ate lunch and continued to bond.

Students and mentors hard at work decorating their mugs.

Mentor, Crickett, helps Christian organize his colors before painting.

Sixth grade student, John, gets a little help from one of the staff members at Amazing Glaze.

The group enjoys lunch at Pepe's Pizza, just a few minutes up the street from Amazing Glaze.

Students Janay (left) and Tyshawna (right) chat with mentor, Ariel, as they work on their mugs.
