

Weekend Mentoring Swings by Patterson Park

March 12, 2011

On Saturday, March 12, Bridges seventh graders traveled to Patterson Park in Baltimore City for an afternoon of sporting activities facilitated by their mentors from RBC Wealth Management. Each student was able to participate in two sporting stations, which included golf, tennis, soccer, and basketball. Afterwards, the group walked into Canton for pizza lunch at Tutti Gusti.

Ja'lah connects on a layup in the student-mentor basketball game.

Mentor Andrew helps Ayana direct her chip on the make-shift golf course he designed.

Mentor Jim instructs Tammia on how to hit a tennis forehand.

The "tennis crew" poses with mentors Maureen and Jim at the end of their tennis lesson.

Students and mentors end the day with a pizza lunch at Tutti Gusti.
