

Baltimore Week at Bridges!

July 18 - July 22

Baltimore Week at Bridges provides students with opportunities to explore and develop an appreciation for the city in which they live. Trips this week provided students with many “first-time” experiences, including a trip to the National Aquarium, an Orioles game, a tour of M&T Bank Stadium, a day at Loyola University, and an etiquette luncheon at the Maryland Club. Due to the schedule of the Orioles Game, Bridges’ annual math and spelling bees were held during morning assemblies. Over 50 students participated in the bees organized by Mrs. Turner and Mr. Bayton.

At the end of four weeks, the Gold team holds about a 200 point lead in the race for the House Cup. Five more days of hard work and the team snaps its 8-year draught...

Students enjoying an Orioles Game courtesy of Orioles Reach and player sponsor, J.J. Hardy.

Fourth graders stop at the Australia exhibit in the National Aquarium.

Eighth graders pose for a shot behind the end zone during their tour of M&T Bank Stadium.

Sixth grader, Toby, participating in the elementary grades spelling bee.

Ninth graders and their hosts from RBC Wealth Management dining at the Maryland Club.
