

Wrap Up Week at Bridges!

July 25 - 29, 2011

Wrap-Up Week provided students with time to reflect, time to say thank you, and a variety of closing activities inside and outside of the classroom. Highlights included the annual appreciation assembly, the ninth grade sleepover in the St. Paul's Mansion, the talent show, closing field trips, a special kickball game against 92Q Radio Station, Wrap-Up Week Jeopardy, and Friday's Closing Ceremony.

Sadly, the Gold Team was unable to bring home the House Cup. Strong performances in the talent show and Jeopardy gave the Blue Team a 60-point edge over the Gold Team at the close of the program. The Blue Team has now won the Cup two years in a row.

Our 22 graduates will be missed around campus, but we look forward to having them enter the Bridges Summer Jobs Program in 2012.

Pork Chop and the 92Q kickball team play against the Bridges middle schoolers. The challenge ended with each team winning one game.

Ninth graders and staff prepare for the outdoor movie during the ninth grade sleepover.

The Blue Team celebrates back to back House Cup Championships.

Ninth graders Cameron (left) and Troy (right) put on their first place performance during the talent show. Both students will enter Baltimore School for the Arts this fall.

Bridges ninth graders pose after receiving their diplomas from the program.
